

# DS350 Graphic Modular Console Replacement Program

SkyAzúl offers a console replacement program available for existing DS350 horizontal and vertical Graphic Modular Consoles. These consoles are designed to replace non-available consoles with minimal installation time. An additional cable is also available to adapt the original light bar option to the new console.

## Replacements for:

**DS350 Graphic Modular Console (horizontal)**

**DS350 Graphic Modular Console (vertical)**

**Lightbar adapter cable (optional)**
